## The Summer Fur Event Was Never More Important

Furs have become a definite necessity of women's apparel. No longer the accessories of the privileged few, they are now an essential part of every well-dressed woman's wardrobe.

But fur-bearing animals grow fewer as women's demands multiply; hence it is more important than ever before to take advantage of the moderate summer prices, in order to secure the best and most attractive furs that your appropriation will buy.

### A Chic Veil from Paris

—The latest vogue in Veils is to drape them over the hat and let them fall like a filmy shadow about half way over the face.

—In Paris they are wearing Chantilly Laces for this purpose, but they are delightfully new meshes that lend themselves superbly to that quaint treatment.

Favorite shades are Brown, Navy, Caster and Black

Come Tomorrow and See  
**BLUE BIRD**  
On Our Third Floor

"Dog Days?" Make Them Blue Bird Days!  
Tired women everywhere are casting anxious, worried looks at the dirty clothes pile these sultry "dog-days." How unnecessary! For less than the wages of any hired laundress a BLUE BIRD can be placed in the home—a washing machine that is never sick, late or absent—that asks no "half-day off"—a machine that does all your washing steadily, efficiently, economically, year after year.

The motor is of the highest grade and GUARANTEED powerful, dependable—can't go wrong. The large, extra-size wringer is power-driven, too. It swings to any position for light or heavy things. Best rubber on the wringer. In fact, you'll find that every detail on Blue Bird is better than on ordinary machines—by actual test and your own inspection. You can buy Blue Bird for
